MEMORANDUM FOR THE RECORD

SUBJECT: CCB Discussion With [REDACTED]

1. At 0900, 23 September 1969, I contacted [REDACTED] to discuss my assignment as RED contact for CCB information.

2. I explained my purpose to be that of discerning and communicating CCB matters related to the NPIC R&D Program and in turn communicating appropriate NPIC R&D requirements to the CCB.

3. I made arrangements to view the PAR index and select PAR's I believed to be of interest to the R&D Program.

4. [REDACTED] advised me that the next CCB meeting would be held at [REDACTED] on 18-20 November 1969 -- the first day to be the executive meeting with no contractors present.

5. The present membership of the CCB is as follows:

[REDACTED]

6. We briefly discussed the fact that this would probably be Col. [REDACTED] last meeting. [REDACTED] felt that NPIC should have at least two observers -- one for operations and one for R&D.

7. [REDACTED] will be away the remainder of this week. We will meet again on the subject when he returns.
